

Zehnder Vitalo Bar

Hydronic operation

Product data sheet

always the best climate

Rectangle and circle: Geometry can be so beautiful. Beautifully simple and energy-efficient. Zehnder Vitalo Bar proves the point. Top-quality surfaces make a maximum statement in a minimalist setting. Available in almost any colour and finish from the Zehnder colour chart. Also in natural anodised aluminium. One or two towel rails, depending on the height, ensure you have beautifully warm hand and bath towels.

Advantages

- Innovative technology guarantees efficient heating
- Extremely flat design creates an aesthetic accent
- Low total weight facilitates transport and installation
- Striking shape, distinctive design
- Chrome towel rail, accessible from one side, makes it very convenient for hanging and sliding towels in from the side
- Smooth surface makes for easy cleaning
- High proportion of radiation ensures comfort
- Short response time means rooms can be heated up rapidly
